

Change icon for a file

```
new icon:    /usr/share/apache2/icons/icon.png
modify:      /etc/apache2/mods-enabled/autoindex.conf
              AddIcon /icons/icon.png file.name
restart apache2

modify icon
    convert icon.png -resize 40x40 -sharpen 0x2 ICON_small.png
```
